

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

to the filing of this information disclosure statement. This information disclosure statement is also not to be construed as a representation that a search has, or has not, been conducted or that no better art exists. Rather, this information disclosure statement discloses only the best art of which the associated individuals are aware.

In considering the art set forth below, it may be noted by the Examiner that certain of the references may contain markings, underlinings, and/or other notations. These markings, underlinings, and/or other notations are not to be construed as drawing the Examiner's attention either to selected parts or away from other parts of the references. Any such markings were either present on the copies of the references obtained by the associated individuals, or were made thereon during the study of the references by the associated individuals.

The Examiner is respectfully requested to consider each of the cited references, to indicate such consideration by initialing in the space provided next to each reference on the enclosed Form PTO-1449 (modified), to sign the initialed Form PTO-1449 (modified), and to return a copy of the same with the next communication to the Applicant(s). For the convenience of the Examiner in considering the references, a copy of each of the cited references is enclosed with this communication.

STATEMENT

The undersigned hereby states under 37 C.F.R. §1.97(e)(1) that each item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Hsin-Wei Luang', with a large, stylized loop at the end.
